

Ruth Munding Scholarship Award

In memory of Ruth Munding, the MFSRC Board of Directors has established the Ruth Munding Scholarship award.

Ruth was one of the original founding members of MFSRC and a strong advocate for training at our annual conference. To honor Ruth and her commitment and dedication to the child support program, each year MFSRC pays the conference registration for a first time conference attendee at the annual MFSRC conference in her memory.

The names of all first time attendees are placed in a bowl and the winning name will be drawn and shared at the banquet.

Make sure that if you are a “first time attendee” you check the appropriate box on the MFSRC registration form.
